

HOW-TO-BEGIN Using Concussion Vital Signs

Users can access the Concussion Vital Signs assessment platform by registering and...

Following these 3 Simple Steps:

1

Go to www.CONCUSSIONVITALSIGNS.com and **CLICK** on the **'REGISTER'** button

The screenshot shows the Concussion Vital Signs website homepage. The navigation menu includes Home, About, Resources, Test Info, Reports, Publications, Pricing Info, and Contact. The main heading is "Concussion Management... Made Easier" with sub-links for Neurocognitive Testing, Sideline Tools, Concussion Symptoms Scale, and Concussion History. Below this is a row of six different helmets. The text reads "Unlimited Baseline and Post-Injury Assessments... for Every Athlete". On the right side, there are several menu items: "Athlete Testing" (Baseline, Sideline, & Post-Injury), "Clinician Portal" (Clinic Based Post-Injury Testing), "Administrator Login" (View Reports & Manage Account), and "Register" (Schools, Colleges, & Universities). The "Register" button is highlighted with a red dashed border. At the bottom right, there is a "Support" section with links for FAQs, Forgot My Password, and Glossary of Terms. A copyright notice at the bottom states: "Copyright CNS Vital Signs, LLC. © 2003 - 2015 All rights reserved. 'Concussion Vital Signs' is a Trademark of CNS Vital Signs, LLC. All rights protected."

2

Complete the Application and CLICK the Register button.

After registering an email will be sent to you with **your login information**, instructions on test administration, and instructions on how to request a free training webinar.

Make Yourself a copy and/or Print of the Registration Letter for future reference.

3

You will be sent an activation email (check your junkemail if you don't see the activation email). Once your account is activated you can BEGIN TESTING ATHLETES! Following your registration you can immediately begin using the Concussion Vital Signs assessment platform and begin baselining athletes.

Note: The only charge you will incur is if you need the Concussion Vital Signs support services (see pricing webpage.). Most questions can be answered by the webpage information, FAQ's or support PDF's found at the Concussion Vital Signs website.
